

HOUSEKEEPING CART

DESCRIPTION

- The material of the **HOUSEKEEPING CART** is medium-density polyethylene through a rotational molding process that gathers resistance to absorb impacts and avoid deformations.
- The cart includes two sturdy plastic bags and three grid shelves.
- Aluminum supports.
- The four 8" swivel casters provide smooth mobility and transport.
- UV protection.
- It's resistant to weather conditions.

FUNCTIONALITY

The **HOUSEKEEPING CART** is perfect for facilitating the cleaning staff's work and mobility in their different areas. Since it features shelves, you can organize your tools however you want. It also has a base to place the sturdy plastic bags that serve for the deposit of clothes or waste and are attached to the cart.

CUSTOMIZATION

According to your needs, it can be labeled with your logo or the type of material it contains.
