

BAR 350

DESCRIPTION

The modern street cleaning cart **BAR-350** has two containers with lids of medium-density polyethylene, giving it higher resistance and avoiding deformations.

- UV protection.
- Highly resistant to weather conditions.
- The lid is easy to detach.
- The design of the tubular structure has space for a shovel and a broom.
- Two wheels of 10" fixed to an axle and two caster wheels of 4" for easy transportation.
- It includes a shovel and a broom.

FUNCTIONALITY

The street cleaning cart **BAR-350** is a piece of perfect equipment for cleaning public places like streets, avenues, parks, historical centers, etc.

Ideal for trash collection on public roads or buildings.

- Manual discharging.
- Easy to clean.
- Avoids sources of infection.
