

# STACKING TOTE 60

## DESCRIPTION

The **STACKING TOTE 60** is made of HDPE through an injection molding process that gathers higher resistance to impacts.

- Due to its handles, it's perfect for the storage of products that can be transported manually.
- Since it's stackable, its storage space reduces when it's transported.
- It has UV protection.
- It's resistant to any weather conditions.
- Light and easy to clean.
- Built-in handles.

## FUNCTIONALITY

The **STACKING TOTE 60** is perfect for storing food or products outdoors or indoors in an organized and hygienic manner.

## CUSTOMIZATION

We can label it with the legend of the type of material or your logo according to your needs.
